## Principal's Report

As Semester 1 draws to a close it has been wonderful to reflect together on our students’ learning. Our Comprehensive reports were circulated last week and our very informative Parent/Teacher Interviews were conducted earlier this week. We have received very useful feedback about our Parent/Teacher Interviews. The online booking process has once again been applauded by our community. Thank you to everyone who participated in our interviews.

Although, it is the end of the semester there has been no evidence of a slow down in the delivery of exceptional learning experiences at our school.

We are thrilled to advise everyone that we have commenced our MultiLit implementation plan. The MultiLit information meeting conducted by Mrs Luu and Mrs Zalaf was most successful. The next MultiLit parent session will be held in Week 2 Term 4 on Thursday 23rd July. To help with the organisation of the information meeting could you please ensure that you have returned your Tutor Expression of Interest by the end of week one. Key staff members have commenced MultiLit training and are eager to start delivering the program.

We are pleased to announce that Mr Yee and his wife Mei welcomed a healthy daughter to their beautiful family last week. Mr Yee will return to our school three days per week next term. We are very pleased to inform you that when Mr Yee is on leave Miss Tellis will be our Relieving Assistant Principal.

Mr McSeveny has been very busy organising for all our students to be involved in NRL (Rugby League) nutrition and well-being sessions early in term 3. Our primary students will also participate in NRL skills workshops.

During term 3 Miss Guyatt will continue to be on leave. We are very happy that Mrs Rangi will teach 1/2R until Miss Guyatt’s return.

Our students and staff will today commence a well-earned holiday. We hope that everyone – students, parents and staff will have a safe, enjoyable vacation. We will all be looking forward to returning to school in term 3 refreshed and ready to discover new knowledge together.
